FLOOD FUND GOLF TOURNAMENT

Patron: Sport Italia

OUR SPEAKER

MEL EVES will be our guest speaker.

Many younger people may not remember Mel, but if you're of a certain generation and a Wolves fan, Mel would have been one of your hero's.

Mel was a top notch forward for Wolves in the 1970's and 80's.

Playing alongside John Richards then Andy Gray, he may have been a bit overshadowed but had a good First Division career. He also played for England B and won a League Cup medal in 1980. Moving to Sheffield United he then had short spell at Huddersfield before moving to Gillingham and Walsall before retiring.

Mel then became a Football Agent - a much maligned profession but one that gives Mel a whole host of stories to tell. He has a number of high profile players that he looks after.

Mel is also Manager of Willenhall Town Football Club.

The two course Dinner is open to supporters and guests who aren't part of the playing bit of the golf day at just £12-50 a head. Arrival at 6.30-7pm, it will, we are sure, be an entertaining evening ending at around 9pm. Dress is smart casual (remembering that most of the guests will have just played a round of golf.)

If you want to come along just to the dinner email me on gcafc@whitbourne.demon.co.uk or phone me on 07833 646304

Keith Butler
